RENDERED FROM JANUARY 1, 2018
THROUGH MARCH 31, 2018**

2:16-cv-00832-JNP

The Honorable Jill N. Parrish

Peggy Hunt, the Court-appointed Receiver (the "Receiver") of Traffic Monsoon, LLC ("Traffic Monsoon") and the assets of Charles David Scoville ("Scoville" and, together with Traffic Monsoon, the "Defendants") that were obtained directly or indirectly from Traffic Monsoon, hereby submits this interim "Fee Application," seeking approval by the Court of fees and expenses incurred by the Receiver, the Receiver's counsel, Dorsey & Whitney LLP ("Dorsey"), and the Receiver's accountants, Berkley Research Group, LLC ("BRG"), for the period of January 1, 2018 through March 31, 2018 (the "Application Period") and authorization

to pay all allowed fees and expenses from funds of the Receivership Estate. The Receiver respectfully submits that the Application should be approved. In support hereof, the Receiver states as follows.

I.

CASE BACKGROUND

1. On July 26, 2016, the above-captioned case was commenced by the United States Securities and Exchange Commission (the “SEC”) against the Defendants, alleging violations of federal securities laws. On that same day, the Court entered a *Temporary Restraining Order and Order Freezing Assets*, which was amended, in relevant part, on July 27, 2016 and on November 4, 2016.¹

Relevant Orders

2. On July 27, 2016, the Court entered an *Order Appointing Receiver* (the “Receivership Order”),² thereby appointing the Receiver and stating in paragraphs 19 and 20 as follows:

19. The Receiver is authorized to employ professionals to assist her in carrying out the duties and responsibilities described in this Order. The Receiver shall not engage any professionals without first obtaining an Order of the Court authorizing such engagement. The Receiver is authorized to retain Dorsey & Whitney LLP, a firm in which the Receiver is a partner, as the Receiver’s counsel in this matter.

20. The Receiver and Retained Professionals are entitled to reasonable compensation and expense reimbursement from the receivership estate as described in the “Billing Instructions for Receivers in Civil Actions commenced by the U.S. Securities and Exchange Commission (the “Billing Instructions”) agreed to by the Receiver. Such compensation shall require the prior approval of the Court.

¹ Docket Nos. 8, 14 & 56.

² Docket No. 11.

3. The Court thereafter entered an *Order Granting Receiver's Ex Parte Motion Seeking Authorization to Employ Accountants*,³ authorizing the Receiver's employment of BRG effective as of September 2, 2016.

4. On March 28, 2017, the Court entered, among other things, a *Preliminary Injunction*⁴ and an *Amended Order Appointing Receiver* (the "Amended Receivership Order").⁵ The Amended Receivership Order restates, without making substantive changes to, paragraphs 19 and 20 of the Receivership Order quoted in ¶ 2 above.⁶

5. On June 13, 2017, the Court entered an *Order Establishing Administrative Expense Payment Procedures* (the "Fee Procedures Order"),⁷ setting forth procedures for the request and payment of professional fees and expenses in this case. This Fee Application is an "Interim Fee Application" within the meaning of ¶ 10 of the Fee Procedures Order and is intended to meet the criteria of ¶¶ 11 through 15 of that Order.

6. On February 16, 2018, the Court entered a *Second Amended Order Appointing Receiver* (the "Second Amended Order"), which did not affect billing and fee allowance procedures as set forth in the above-mentioned Orders, except that paragraph 5 of the Order requires that the Receiver "obtain prior approval from this court before using Receivership Assets to present arguments on the merits of the [SEC's] claims against Traffic Monsoon and

Scoville in the above captioned action . . . or in any appeals from orders or judgments of this court.”⁸ The Second Amended Order was entered during the Application Period relevant hereto, and therefore, the Receiver had not obtained such approval for a portion of the relevant fees, a large portion of which were incurred researching and drafting a brief requested by the Court in its *Order For Briefing*.⁹ Although the proposed brief was researched and primarily drafted in January and early February (primarily because the Receiver wanted to understand the issues in question prior to a February 8, 2018 status conference),¹⁰ it was not filed because the issues raised by the Court ended up being addressed at a status conference held prior to the February 16, 2018 briefing deadline, and then a stipulation was reached between the parties, resulting in the Second Amended Order.

Relevant Notices of Requests for Payment

7. No requests for monthly payments pursuant to the Fee Procedures Order have been made for the Application Period.

Relevant Status Report

8. On June 22, 2018, the Receiver filed her *Fifth Status Report* (the “Status Report”).¹¹ The Status Report outlines the work done by the Receiver and her professionals during the current Application Period and is incorporated herein by reference.

¹⁰ See Exh. B-3.

¹¹ Docket No. 153.

II.

**FEES AND EXPENSES REQUESTED ARE ACTUAL, NECESSARY
AND REASONABLE FOR THE SERVICES RENDERED**

9. During the Application Period, significant professional services were required to perform the work outlined in the Status Report incorporated herein.

10. The Receiver and her professionals have provided actual and necessary services related to the matters summarized in the Status Report and detailed in the Exhibits attached hereto for the benefit of the Receivership Estate. Out-of-pocket expenses were also incurred by the professionals in rendering services to the Receivership Estate.

11. Dorsey and BRG have submitted their invoices to the Receiver on a monthly basis, and the Receiver has reviewed and approved the invoices.

12. The Fee Application complies with the SEC's Billing Instructions. In accordance with ¶ 12 of the Fee Procedures Order and the SEC Billing Instructions, the Receiver submitted this Fee Application to the SEC prior to filing it with the Court, and the SEC has informed the Receiver that it has no objection to the payment of the fees or reimbursement of the expenses outlined herein.

13. With any adjustments made, the Receiver believes that the fees and expenses are reasonable, especially in light of the work that has been done during the Application Period as outlined in the Status Report. She also believes that the services rendered and the expenses advanced have been beneficial to the Receivership Estate.

III.

V.

PRIOR APPLICATIONS AND INTERIM NATURE OF REQUEST

21. This is the fifth Fee Application of the Receiver and her professionals.

22. On June 7, 2017, the Court entered an *Order Approving First Interim Fee Application For Receiver and Receiver's Professionals For Services Rendered From July 27, 2016 Through March 31, 2017*,¹⁹ allowing the fees and expenses requested and authorizing payment of the same. The Receiver has made the payments authorized by that Order.

23. On October 23, 2017, the Court entered an *Order Approving Second Interim Fee Application for Receiver For Receiver and Receiver's Professionals For Services Rendered From April 1, 2017 Through June 30, 2017*,²⁰ allowing the fees and expenses requested and authorizing payment of the same. The Receiver has made the payments authorized by that Order.

24. On February 8, 2018, the Court entered an *Order Approving Third Interim Fee Application for Receiver For Receiver and Receiver's Professionals For Services Rendered From July 1, 2017 Through September 30, 2017*,²¹ allowing the fees and expenses requested and authorizing payment of the same. The Receiver has made the payments authorized by that Order.

25. On June 21, 2018, the Receiver filed a *Fourth Interim Fee Application for Receiver For Receiver and Receiver's Professionals For Services Rendered From October 1,*

¹⁹ Docket No. 100.

²⁰ Docket No. 107.

²¹ Docket No. 119.

*2017 Through December 31, 2017.*²² At this time, an Order has not been entered with relation to this Application.

26. The Receiver and her professionals understand that authorization and payment of fees and expenses is interim in nature. All fees and expenses allowed on an interim basis will be subject to final review at the close of the case and the discharge of the Receiver when the Receiver files a final accounting and final fee application.

VI.

CONCLUSION AND REQUEST FOR COURT APPROVAL

27. For the reasons set forth above and as supported by the Exhibits attached hereto, the Receiver respectfully submits that the fees and expenses requested herein are for actual services that were necessary for and beneficial to the administration of the Receivership Estate. The Receiver has made every attempt to contain the administrative expenses of this Receivership Estate, and she submits that given the work that has been performed as outlined in the Receiver's Status Report, the fees and expenses that have been incurred are reasonable.

28. Thus, the Receiver respectfully submits this Fee Application and requests that the Court enter an Order allowing the fees and expenses requested herein. She also requests that the Court authorize her to pay allowed fees and expenses from funds of the Receivership Estate to the extent those fees and expenses have not been paid to date in accordance with the Fee Procedures Order.
